

## **ROAD TRAUMA SUPPORT TEAM of SA Inc. NEWSLETTER – APRIL 2006**

Well here we are nearly at the end of April already so, this is just a short note to let everyone know what is happening.

As you all would have read in the brochure we now have a “home” at Anglicare, 26 Daphne Street Prospect. We are renting office accommodation only at these premises and remain an autonomous entity. The RTST committee has employed Pam as our office manager; when Pam is not in the office the telephone will divert to her mobile so, we will always be contactable.

### **Care & Share Meetings.**

Our monthly “care and share” meetings will also be held at the above premises, at 7pm. on the first Monday of each month. We will have a committee member and one of our Psychologists ( either Joe Magliaro, Ali Rinaldi or Jo-Anne Hamilton) in attendance so, please feel free to speak with them on the night or alternatively, you can make an appointment through Pam (on Ph. 83059675) to speak with them at their respective consulting rooms (conditions apply).

Each of the clinical Psychologist’s has extensive training and experience in assisting clients with trauma related stressors.

We at the RTST are looking forward to re-acquainting ourselves with you all and to continuing to support you.
