

NEWS LETTER – NOVEMBER 2006

Hallo to all,

We here at Daphne Street have been very busy through out the last 3 months. Loss and Grief are now down at Hindmarsh so it is very quiet here as there are no other tenants as yet.

Our monthly “Group meetings” are still being held although during January ’07 there will be no meeting. We will endeavour to have a guest speaker at the February meeting. If you would like to talk or just sit and listen to others who have been in similar situations as yourself, every one is most welcome. Often being able to hear about other peoples experience is a help to understanding yourself.

The 4th December meeting at 7pm. will be a general get together beginning with a “reflection” meeting (candles will be available if you would like to light one) at the Barker Gardens (Rose Garden) on corner Prospect Rd & Alpha St. (opposite the post office) at Prospect conducted by David Marr (chaplain SAPOL) followed by a supper in meeting room at Daphne St. If you would like to bring your children along we would love to have them come too.

I would appreciate it if you could please let me know if you are coming for catering no’s. Phone 83059675, if I am not in the office please leave a message.

Our Web site is now up and running, news letters dates of meetings, etc will all be added. If there are any changes to our program it will be added to the site.

Please let me know if you have some ideas for meetings or if you would like to have anything included. We are here for you and your needs.

Rod and I are off up to Pt. Pirie on the 13th November to organize a meeting room for RTST, then we can commence monthly meetings their too. We will keep you posted.

On the 3rd & 4th November the committee set up our new display stand at the ACAP (Australian College of Ambulance Professionals) conference. The feedback that we received was very positive from the Ambulance Officers and Doctors. Dr. Andrew Pearse from RAH would like some one from the committee to give a talk to his Doctors at the hospital. A lot of Ambulance Officers would also like to become involved (including country) with RTST.

Rod Kershaw (Chair person) gave a talk at a breakfast meeting in October to the Prospect Rotary club, outlining the role of RTST.

On the 10th December there is a Police Expo in conjunction with our “Partners in Emergency” at the Police Academy, Strathfield Terrace, Taperoo commencing at 9.00am until 5.00pm. There will be free rides and amusements for the children. It will be a fun family day. RTST will have a display stand with balloons, lucky dips, and raffles. We would love for you to come and say good-day.(can be looked up on website www.police.sa.gov.au). I have been told that around 10,000 people are expected.

The committee wishes you all peace, love and happiness for the festive season and New Year.

Thank you

Pam
